## Free Standing 55" Android Touch Kiosk

The floor-standing digital signage has been widely welcomed because of its good advertising effect and its ease of movement. Plug-n-play content using USB ports or personal cloud storage account. Coupled with touch screens and well-crafted software, it can provide query navigation service for a variety of places, such as shopping malls, hospitals, schools, and more. Want a LCD advertising screen that you can move around? Then this free stand kiosk is your best choice. You can put it anywhere, play it with anything, and achieve any effect.
